SPYFALL

A PARTY
GAME UNLIKE
ANY OTHER!

Game Overview

Spyfall is an award-winning card game of bluffing, probing questions, clever answers, and suspicion.

At the start of each round, players receive a secret card letting them know the location they are all in – except that one player receives the Spy card instead of the location. The Spy doesn't know where they are, but wins the round if they can figure it out before they blow their cover!

Gameplay

The players pick one of the 30 facedown location sets randomly.

Each player receives a card and looks at it without showing anyone else.

You ARE the Spy!

You have no idea where you are!

You are NOT the Spy!

You know the location all players are in!

You want to:

Last the whole 8-min round of probing questions and answers

Detect the Spy and unanimously accuse them

OR

OR

Guess the location before your cover blows up

Not give the location away

The round begins!

The Active player chooses any one player to answer their question, then that player asks someone, too, and so on, until either the time is up or someone is accused of being the Spy:

*They are asking about the noise...
In which of these locations the noise is soothing?..*

*Uh-oh, I'm being asked! How to answer?!
Oh, this should do!*

*Now, I should come up with a question,
and quickly...*

*Non-Spy 1: "Hey, what's the noise?"
Non-Spy 2: "It's quite soothing."*

*Non-Spy 2: "What brings you here?"
The Spy: "My adventurous spirit!"*

The Spy: ...
