

How to Play

Sunflower Valley

Game Overview

In Sunflower Valley, you will use special dice to draw your valley. Build houses, connect them with railroads, breed happy sheep, and plant sunflowers near the mountains. Your aim is to get the most VP!

How to Start

The youngest player rolls all 6 dice — it's a common pool for the whole round!

On Your Turn

- 1 Choose 1 die from the common pool!
- 2 Claim a color with it on the playing board!
- 3 Draw the symbol from the die in a hex of that color on your board!

End of the Round

No colors to claim on the playing board? Pass the first player token to the left, and roll all dice again!

End of the Game

No free hexes to draw on? Score!
